Comments:Rider questioned re performance - stated intentions were to obtain lead if possible however, once runners to outside crossed him he was content to settle just off the speed behind the leaders. Added filly under pressure from 600m and then commenced to weaken upon entering home straight and for this reason he did not overly pressure his mount for the remainder. Further added in his opinion the filly was most disappointing. Vetted - no abnormalities.

S. Comments:Blundered at start. Questioned re tactics. Rider stated instructions were to take up a forward position. After travelling a short distance after start it was evident to him he would be unable to obtain a position with cover. Therefore when racing wide he elected to stride forward to comply with instructions. When striding forward he was of view runners to his inside were looking to improve and he made decision to improve quickly to obtain outright lead.

S. Comments:D. Browne said that he attempted to secure cover in 5th or 6th position and when unable to do so he was obliged to allow the horse to stride forward to a position outside the lead closer to the rail near the 600m. He added that in his opinion, whilst this had some bearing on the horse's performance, he felt that the horse did not race comfortably in the rain-affected conditions as when placed under full pressure it failed to respond.

During the early stages of the home straight had difficulty securing clear running to the outside of DALLINGER which was inclined to lay out. When questioned as to the performance, Jockey L Rolls stated that he was not entirely disappointed with the geldings performance. Jockey Rolls was of the view that the gelding would be better suited over further distances and was not suited by todays pattern of racing.

Elected to restrain and obtain cover behind Devil's Fire afterwich tempo slowed considerably. Advised ought to have maintained lead in early stages.
