S. Comments: When guestioned regarding the horse's improved performance, trainer S. Kendrick stated that the gelding was hampered on jumping at its first start and unable to muster speed over the 900m which he believed was too short for the gelding. He added that since then the horse has trialled and worked well leading up to today's event and as such he stepped the gelding up to a more suitable journey of 1200m. He said he expected a more forward showing today over the further distance and with the wet track, noting that the gelding is bred to handle the wet, and he was not overly surprised by the win.

S. Comments: Stewards guestioned J. Guthman-Chester regarding the tactics adopted in the early stages when he restrained to allow ASALWAS to shift across his line at a point near the 1400m, which resulted in his mount losing ground when the pace of the race being set in the early stages was quite slow. Apprentice Guthman-Chester after hearing the stewards concerns and viewing the patrol footage agreed that this had been a poor decision on his part given the slow tempo that was being set, and agreed he had made an error or judgement at this point of the race, particularly given that his horse is one-paced

S. Comments: Raced wide without cover. Jockey J. Lloyd was questioned	regarding the tactic	s adopted on his mount.	He indicated that despite drawing a wide
alley he had been instructed to attempt to obtain a position one off the f	ence just behind the	e lead. In attempting to c	omply with those instructions he rode
without committing to a forward or rearward position, and when in a 5-v	vide position passing	the 1200m, pushed forv	vard and raced 3 wide without cover. He
advised stewards he had considered restraining to obtain cover at the re	ar of the field, howe	ver was of the view that	given the pattern of racing
