He added that after being crossed shortly after the start the filly raced a little greenly back in the field however finished the race off reasonably well and, in his opinion, would benefit from today's experience and may be better suited over longer distances than that of today's event.

Lacy stated that the horses usual racing pattern is to race in front or up on the speed, and the mare has shown in the past to have a reluctance to being restrained as well as an inclination to choke down. She added that in the heavy going she was not overly concerned to maintain the position she did, however in hindsight conceded it may have been more advantageous to endeavour to restrain to find cover. S. Comments:Chance of tactics. Connections advised the horse would be ridden quietly from the wide barrier. After beginning well, jockey L. Tarrant reported that he elected shortly after the start to ride forward and assume the lead as he felt he would have more opportunity to secure a position closer to the fence than if he restrained.
