He indicated after entering the home straight and placing the horse under pressure it became awkward in its action and felt that the horse may have bled and for this reason did not ride the horse out over the final 200m. A post race veterinary examination failed to reveal any significant abnormalities. Trainer T. Edmonds was advised that the horse would be required to trial satisfactorily in an official trial prior to its payt race start. Mr Edmonds advised stawards he would have further tests performed on the major to its payt race start.

S. Comments:Trainer questioned re improved performance - explained mare disappointing in last campaign where it only had three runs before being turned out for a spell. This time in had trained on well at previous start, which was first up, was not disappointing noting mare only beaten three lengths on firm track. Added that second up today mare was fitter from previous run and with step up in distance, a hot tempo and todays soft track conditions were

favourable for a better performance today.
