S. Comments:When questioned regarding the horse's seemingly improved performance, connections advised that at its previous start at Texas the mare did not appreciate the firm track on that occasion and had jarred up. They added that the mare was suited by today's bigger track and the step up in distance and that a forward showing was expected. They further added that the horse will now be sent for a spell. The veterinary surgeon reported that the mare was showing signs of soreness in its near fore foot post-race.

S. Comments: Was ridden forward to assume the lead after being wide in the early stages. Jockey S. Cormack was asked to explain his tactics in leading today, which is in contrast to the horse's established racing pattern. He indicated that he had been instructed to ride in a midfield position, however when caught wide in the early stages it became apparent he would not be able to obtain a position closer to the fence midfield and therefore elected to allow the horse to stride forward to the lead passing the 900m.
