S. Comments:When attempting to improve approaching the home turn, was disappointed for a run between BETTER BROTHER and JIMMY NEUTRON, obliged to steady. Asked to comment on performance, App. J. Murphy stated the mare travelled fairly for majority of event and when asked to improve after passing the 600m, failed to respond to his riding. He further added although disappointed for a run passing the 400m and then had some difficulty securing clear running, when able to find clear running, the mare again failed to finish the race off as expected and in his opinion proved disappointing.

He indicated that the horse was disappointing in his opinion, however added that the horse was second up in today's event and has previously not had a good second up record, however could not add any further explanation for the performance. S. Comments: Raced wide in the early stages before being permitted to stride forward to a position outside the lead passing the 1100m. A post race veterinary examination of the horse, which weakened badly in the straight, revealed no abnormalities. Jockey M. Cahill indicated he could not explain the performance, which he considered disappointing. He felt the horse had travelled well until after being placed under pressure and then weakened badly in the final 400m. Stewards advised connections that the horse would be required to trial satisfactorily prior to starting again.

Jockey Frater stated that the instructions were to remain neutral out of the gates in an attempt to get the gelding to settle and prevent it from over-racing. The gelding then continued to lose contact with the second last horse despite Jockey Fraters efforts. Trainer T. Cowan confirmed instructions, however, expected the gelding to race more prominently.
