S. Comments: When asked to comment on the tactics adopted, jockey S. He added that having ridden the gelding at its most recent starts, and being advised by the trainer that the gelding resents being restrained once in a comfortable rhythm, he was satisfied to allow the gelding to race in that pattern and eventually crossed DOMINICA ROSE passing the 900m.

When guestioned, jockey Taylor advised that he elected to shift wider on the track passing the 300m as in his opinion the surface was better in that section. Trainer J. S. Comments: Raced wide in the early stages before being permitted to stride forward to a position outside the lead passing the 1100m. A post race veterinary examination of the horse, which weakened badly in the straight, revealed no abnormalities. Jockey M. Cahill indicated he could not explain the performance, which he considered disappointing. He felt the horse had travelled well until after being placed under pressure and then weakened badly in the final 400m. Stewards advised connections that the horse would be required to trial satisfactorily prior to starting again.
