. Comments: Over raced during the early and middle stages. Jockey N Callow reported that the mare over raced in the early and middle stages and for that reason from near the 800m he allowed the horse to stride forward to improve into the event. Jockey Callow added that whilst the mare quickened for a short distance it was under pressure prior to the home turn and in his opinion, over racing in the early stages was the major contributing factor to what in his view was a disappointing performance.

S. Comments: On arriving on-course slipped in the tie-up stalls, sustained a minor abrasion to the off foreleg, underwent a pre-race veterinary examination and was cleared to start. Bumped and taken in at the start. Raced three wide in the early stages. A post-race veterinary examination revealed the mare had bled from both nostrils for the first time. Under the provisions of AR79(4) representative for Trainer G Heinrich was advised MY ADELINE would be stood down from racing for a period of 3 months and must gallop 1000 metres in the presence of a Steward prior to its next race start.
