S. Comments:Began awkwardly. Jockey questioned about riding said instructions were to take up forward position, but after being crowded at start she was able to obtain prominent position behind leaders and close to rail. Passing winning post on first occasion made contact with running rail, became unbalanced and lost ground. Travelled comfortably in middle stages, however when runners improved around her she had to race in midfield position. Approaching 600m attempted to ride along and improve around field but became awkwardly placed on heels and was held up for clear running. Finished race strongly.
