S. Comments:raced wide in early stages of the event. When questioned regarding below market performance, App S Lacey stated the mare travelled well to the 800 metres but was then inclined to hang out and commenced to weaken from that point, and in her opinion was disappointing. A post race Vet examination of TEN TO LIFE revealed no obvious abnormality, other than a poor post race recovery rate. Trainer B Gill was advised a Vet clearance would be required prior to the mares' next race start and a post-race swab sample was also taken from TEN TO LIFE.

Badger indicated that her instructions from the trainer were to ride the mare wide as they were of the view that it was the better section of the track. She further added that it was the mare's first start in six months and in her opinion the mare would be better suited over further distances on firmer ground. Trainer P. into jockey Geran's riding of the horse. Of particular concern to Ms Paton was jockey Geran's apparent failure to follow her instructions, which were to lead if possible or at the very least race in a forward position. After taking evidence from jockey Geran in relation to his riding, stewards adjourned the matter to a time and date to be fixed to enable stewards to obtain betting information on the event.
