S. Comments:Inquiry re poor performance. Rider said after beginning well he rode his mount along in an endeavour to obtain its customary leading position, but when runners drawn to his outside showed superior pace, he had to take a trailing position near the 1000m. He added that shortly after obtaining this position, the mare failed to travel strongly on the bit and was under pressure, proving disappointing. He added that, in his opinion, given its established racing pattern, in his opinion, it was not suited when unable to lead tonight.

She added that her mount was under pressure a considerable distance from home, which she attributed to the horse racing dour tonight, and advised trainer S. Iverson that the gelding may be better suited in races over further distance than tonight's event. Mr Iverson agreed with the statement by S. S. Comments:Raced extremely wide throughout. T. Harrison was questioned regarding her riding in the early stages. She stated that she had been instructed to ride the filly quieter today, however she was unable to gain cover and therefore she was obliged to race wide throughout. Trainer T. Gollan explained that from the wide draw he was concerned with the significant amount of speed of other runners drawn to his inside and for this reason he instructed his rider to "come out neutral" rather than be involved in a speed battle and get caught wide.
