Felt although the horse had some wet track form in the past it didn't handle today's conditions and noted it was having its second start from a spell and was up in distance. Trainer advised that endoscopic examination following the race revealed the horse to be suffering from an epiglottic entrapment and would now undergo corrective surgery.

Geran stated that his mount travelled strongly to the home turn and he was confident of the horse's chances at that point of the race. He added that his mount was inclined to lay in under pressure in the home straight, resulting in him reverting to hands and heels, however the horse weakened noticeably over the final 50m.

S. Comments:Rider M. Cahill was questioned regarding his riding tactics in the early stages. He explained that he was instructed to settle the horse midfield with cover if possible, but from the wide barrier, after travelling a short distance, rather than be caught wide throughout, he elected to restrain to the rear of the field. Jockey Cahill added that BERGDORF worked to the line strongly and finished the race off well. He further added that in his view the filly will be suited over a longer distance and when able to take up a midfield position with cover.

Rider stated that after travelling well in the early and middle stages of the race the filly failed to respond to his riding from the 400m and proved disappointing. He added that he advised connections the horse may be better suited to ridden more conservatively in an endeavour to have finish its races off. A post race veterinary examination revealed an abrasion to the off hind pastern and a poor post-race recovery.
