S. Comments:Leaving 800m steadied when tightened for room. Rider questioned re why she lost ground in early stages, resulting in her racing at rear of the field. Explained that after beginning well she was forced to steady the mare when tightened for room leaving the 800m, at which point her mount dropped the bit losing more ground than expected. Rider added she then had to ride the mare along just to hold its position at the tail of the field however, finished the race off well. Rider conceded in hindsight should have been more vigorous in the early stages in an effort to hold a midfield position.

Ms Fancourt added that she had been instructed to not overly restrain the gelding as it was one-paced and for that reason she was content to race forward of LIBERATION during the middle stages. Stewards advised apprentice Fancourt that she would have been better suited making greater effort to restrain the gelding in the early stages so as to sit off LIBERATION.
