Jockey Lloyd added after being slow to begin the gelding commenced to overrace and in his effort to have it settle it lost further ground on the field. Jockey Lloyd further added that the gelding then travelled comfortably and when placed under pressure leaving the 800m commenced to improve and finished the race off well. Jockey Lloyd was of the opinion the gelding would be well suited in a similar pattern to today over further ground. Explanation noted.

Over-raced in middle stages and was held up rounding home turn and early in straight. Disappointed in finishing effort when failed to sprint after obtaining clear running near 250m. Conceded better suited allowing mare to stride early to maintain lead given steady tempo. Trainer confirmed instructions and given mare's racing manners felt it would be better suited when able to lead. Vet exam - no apparent abnormalities.

Stower in relation to the seemingly disappointing performance of EXTRA SHOT. Apprentice Stower advised that the gelding failed to muster its customary early pace and as a result she was required to ride the horse along in the early stages to obtain a forward position. She added that when placed under pressure in the home straight the gelding failed to respond to her riding and proved disappointing.

S. Comments:Rider questioned re disappointing performance. She said after being caught wide in the early stages she was forced to work up the hill to enable her mount to cross to a position closer to the rails, which she felt was to its detriment, however when placed under pressure over the concluding stages the gelding failed to run on and proved disappointing. Tnr said the horse has a history of racing poorly when unable to obtain cover in its races, which he felt was a major contributing factor to the performance. Vetted, no abnormalities.

S. Comments:Trainer B. Wakefield stated no specific instructions issued to the rider other than to seek cover and attempt to race midfield from its wide barrier being the gelding's first start over this distance. Rider B. Grylls said her mount raced keenly early and she was unable to place it in a position with cover and elected to race near the tail of the field. She added that when the pace steadied near the 1300m the gelding settled and from that point on she had a trailing position, however she was forced to race wide after leaving the 600m. The explanation was noted.
