Raise Your Spirits 55.5 1, 11.40 LEN, 1-10.65 34.36  
S. Comments:Slow to begin and despite the efforts of its rider trailed the field for the majority of the race. A post-race veterinary examination failed to reveal any apparent abnormalities at the time of examination. Questioned re: disappointing performance - trainer noted gelding is better suited over further distances but was still dissappointed as gelding had pleased him in a trial leading into the race. Reported that gelding pulled up well after the race and blood tests had failed to reveal any abnormalities. Would step gelding up in distance next start. Warning placed on uncompetitive performance.

Duncan indicated that at the horse's most recent start, in his view, the gelding was ridden quite poorly and when overracing was settled wide on the track. He felt that this had a significant effect on the performance. Mr Duncan added that at the start prior to this the horse did not appreciate the firm racing surface at Dalby on 9 August and he felt that this may explain the improvement on the horse. He was also of the view that the addition of blinkers today was beneficial.

She stated that after beginning well she elected to stride forward to the lead as she was of the view that she would be caught wide. Trainer J. Wallace stated that he had instructed Grylls to settle in a handy position with cover but was satisfied that after beginning well that Grylls allowed the horse to stride forward to the lead. Trainer reported the horse may be sent for a spell.

S. Comments:Rider explained that in the early stages he was caught extremely wide and therefore approaching the first turn he elected to restrain the colt to

find a position closer to the rail. He said that not long after, the horse dropped the bit and became detached from the main body of the field. He added that

on straightening he was concerned there was something amiss with the colt and for this reason he did not persist in riding it out. He added that not long after

the post the horse made an abnormal breathing noise. Trainer reported the horse was found to have slight bruising to its off front heel.

600m, despite her efforts. App Eilbeck noted that the horse was having its first start back from a spell and in her opinion had resented racing inside of

other runners today. App Eilbeck indicated that connections would consider adding blinkers and stepping it up in distance at its next start.
