S. Comments:Rider questioned re disappointing performance. She said after being caught wide in the early stages she was forced to work up the hill to enable her mount to cross to a position closer to the rails, which she felt was to its detriment, however when placed under pressure over the concluding stages the gelding failed to run on and proved disappointing. Tnr said the horse has a history of racing poorly when unable to obtain cover in its races, which he felt was a major contributing factor to the performance. Vetted, no abnormalities.

Felt horse had then peaked on run so did not ride it out to end of race. Felt horse may have felt firm surface and might benefit with blinkers. Jockey Lloyd added after being slow to begin the gelding commenced to overrace and in his effort to have it settle it lost further ground on the field. Jockey Lloyd further added that the gelding then travelled comfortably and when placed under pressure leaving the 800m commenced to improve and finished the race off well. Jockey Lloyd was of the opinion the gelding would be well suited in a similar pattern to today over further ground. Explanation noted.
