| S. Comments: B. Stower explained that the intention was to lead in accordance with its usual pattern. She said from the wide draw she strode forward and became concerned when TRIPLE JEOPADY, which was racing to her inside, was overracing slightly, and it would not settle, allowing her to cross. She added she had to make more use of her horse to cross that runner near the 800m. Miss Stower stated in hindsight it would have been preferable not to have made as much use of LANDALE but with the specific instructions she felt she had little alternative but to ride it in the manner she did. | | | | |

S. Comments:Rider questioned re tactics - initially slow to begin then slow to muster speed and forced to race further back than anticipated. Horse inclined to lay out in early stages and failed to handle specific nature of track. Near 500m steadied from heels of horse weaking in front and lost ground. Unable to apply full pressure as it failed to negotiate home turn however when balanced up upon straightening found the line well. Trainer agreed with rider's comments and noted that horse had raced in a similar manner at its previous start and would be better suited on a bigger track over further ground.
