Near 1300m attempted to obtain cover behind INTRONATI however another runner improved to his inside placing him 3 wide early. Near 800m INTRONATI shifted out taking him wider. Raced untractably and in his opinion did not handle first start in clockwise direction. Trainer confirmed instructions and bearing in mind circumstances was not overly critical of ride. At its first start the filly, after being slow to begin, suffered interference during the early stages which contributed to its disappointing performance. Stable added that the filly began well today and was able to travel comfortably in a midfield position, which with the addition of blinkers contributed to the improved performance. Trainer reported that the filly suffered a hindleg injury subsequent to this start and was sent for a spell.
