S. Comments: When questioned regarding the performance of the gelding apprentice Ms B. Ainsworth stated that she intended to settle in a handy position however her mount was caught wide in the early stages and she elected to ease and take a position worse than midfield with cover. Ms Ainsworth stated that her mount likes to work into a sprint however it had its momentum hampered at the entrance to the straight and near the 200m when it was disappointed for runs. Ms Ainsworth added that her mount was first up today, would benefit from the run and would appreciate resuming its normal racing pattern. 6-9 BDST 1200 Soft 24/01/2016 CL4 (Race 5) 54 Brooke (5) 57 (55) R64 \$16,000 \$12 \$12

At its first start the filly, after being slow to begin, suffered interference during the early stages which contributed to its disappointing performance. Stable added that the filly began well today and was able to travel comfortably in a midfield position, which with the addition of blinkers contributed to the improved performance. Trainer reported that the filly suffered a hindleg injury subsequent to this start and was sent for a spell.

He said that at the horse's previous start from a good draw it gained a favourable position early, however was shuffled back in running to a rearward position before being shifted wider and finishing the race off nicely. He added prior to that the horse raced over a shorter distance and had previously shown disappointing performances on rain affected tracks. Mr Baldwin added with today's increase in distance and the horse dropping back in class the filly performed favourably as he expected.
