After viewing the patrol footage, stewards were of the opinion that as the horse's barrier gates had only been marginally slow to open and that this had not materially affected the horse's chances, it would be declared a runner.

S. Comments: Began awkwardly and lost ground. Rider questioned regarding tactics in the early stages whereby after being slow to begin he rode his mount vigorously around the field and ultimately raced in a wide position throughout the event when there appeared to be an opportunity to obtain a position closer to the rails in a more rearward position. Refer Stewards Report.

Comments: Questioned re performance - rider stated mount raced keenly in lead throughout the race and as a result weakened over the final 200m. Whilst it had won over a similar distance last start, when displaying racing manners evident today failed to runout the 1200m. Post race vet revealed to be lame near fore leg and signs of poor post race recovery

S. Comments: A post-race veterinary examination revealed the mare to have a slower than normal recovery rate. Trainer reported horse pulled up well and an an endoscopic examination failed to reveal any abnormalities. Only tangible explanation was that it may have resented being restrained once it found the lead as had performace poorly in the past when ridden in a similar fashion. Will instruct rider to allow horse to travel along in lead without being restrained next start. If again performs poorly will reaccess current campagin.

S. Comments: Began awkwardly. Tightened for room shortly after the start when racing in restricted room and had to be checked. Stewards afforded apprentice B. S. Comments: When provided opportunity to comment on performance rider explained he settled outside of the leader FAR DOOLEY soon after start and was then bumped on a few occasions when JACK BE QUICK improved to his outside, which he felt NEE DE PAPA resented. He added approaching the 500m he allowed JACK BE QUICK to cross his mount and he was immediately under pressure and the colt did not respond to his riding in the home straight. Vetted found to be mildly lame in the near fore leg. Stewards will interview trainer.

When questioned in relation to the improved performance, trainer advised that at the gelding's first race start on 26 September 2015, after being slow to begin the gelding was forced to race very wide throughout the event, which he felt was a major contributing factor to the horse's performance on that occasion. He went on to advise that the gelding had worked well in preparation for today's event and as such expected a forward showing today.
