S. Comments: When questioned as to the tactics adopted in the early stages, Jockey B Evans stated that he was instructed to obtain a mid-field position with cover and for this reason elected to settle behind ACCORD. Jockey Evans added that it was not the stable's intention to have the gelding ridden in a handy position at its last start. Jockey Evans further added that once he elected to settle behind ACCORD, runners positioned wider on the track elected to press forward resulting in him being positioned further back than anticipated.

S. Comments: Stewards questioned J. Dann regarding the horse's improved performance in comparison to its most recent start. Mr Dann indicated that in his opinion the horse's form had been good prior to last start, where on that occasion the horse suffered minor interference near the 900m and was obliged to race wide throughout and was forced wider on a number of occasions after passing the 700m. In his view, these factors had significantly affected the horse's overall performance and he had expected a more forward showing in today's event.

He added that he was expecting a forward showing today however was surprised that the gelding was able to win today's event, given the step up in class. Stewards noted the explanation.
