Rolls indicated that he anticipated being back in the field, however on a number of occasions in the middle stages when attempting to improve to the inside of another runner, the horse was reluctant to do so. He added that he was obliged to pressure the horse from the 600m and the horse was again reluctant to improve into a tight run in the home straight. He felt that a step up in distance to 1400m would allow the horse to travel comfortably in a more prominent position.

Grylls stated that in her opinion the horse was not entirely comfortable on what she described as a softer surface out wide and as such she elected to shift back inwards where she felt was the better going, and when she did this the filly then finished the race off nicely. Stewards noted her explanation.
