S. Comments:The start was delayed when the mare proved difficult to load. Jockey L Cheshire reported at scale that she noticed that its tongue was over the bit and that she recommended to connections to experiment with a tongue tie or a tongue control bit before the mare's next start. She added further that this may have contributed to the mare not running out a strong 1400m today. Trainer E Forrester reported to Stewards that the mare had returned after the race with a laceration to the near side hip and also with its tongue over the bit.

Passing 1600m when BIG MAMA pressed forward of him that horse made contact with his mount resulting in it continuing to over-race for some distance. Thought mare was galloped on rounding home turn. Whilst disappointed in performance, mare's racing manners had a detrimental effect on its performance.
