He indicated that he would have veterinary tests performed in the coming days, the results of which he would report to stewards. He added that from the 500m, when asked to improve into the race, the gelding failed to quicken as he had anticipated and in the home straight felt very awkward in its action, and he therefore eased the horse down over the concluding stages. A post-race veterinary examination revealed no apparent abnormalities. In light of jockey Stanley's comments, Stewards will follow-up with Trainer D. Hansen in the following days regarding the horse's post-race recovery.

Schwenke stated that he specifically targeted this race today as in his view the track and surface would best suit the gelding. He added that the gelding also races best when in a forward position, as it did at its most recent start, and more particularly when it is allowed to dictate the tempo. After reviewing the horse's recent performances, stewards noted Mr Schwenke's explanation.
