He added that he was obliged to nigle the horse throughout the event to remain in touch with the main body of the field and the horse commenced to improve approaching the 400m. He further added that he was obliged to alter course near the 200m to obtain clear running and felt that the horse was doing its best work over the concluding stages and he was of the opinion that a step up in distance would be beneficial

S. Comments:As J. Lloyd was indisposed, S. Cormack was substituted as the rider of the horse. When questioned jockey S. Cormack stated that the gelding could not muster any early speed and despite his urgings did not make any ground, and when placed under pressure from the 600m failed to respond. Jockey Cormack added that, in his view, the gelding would be better suited in races over a further distance, and that the horse would take a fitness benefit from today's race. A post race veterinary examination failed to reveal any significant abnormality.
