He said over the final stages it made an abnormal respiratory noise. Stewards felt his actions had no material effect on the placings, however advised him that he would be expected in similar circumstances to ride his mounts out at least in a hands and heels fashion. Trainer indicated the mare was in an agitated state throughout the day, and indicated the horse would now be spelled. Vetted with no abnormalities reported.

S. Comments:Questioned re performance, rider stated that his mount enjoyed a comfortable run behind the leaders in the early and middle stages however was under pressure to maintain its position from the 600m and weakened in its run to the line. Trainer M. Wilson stated that the filly had worked well leading into the event and he was confident of its chances. He stated that although the filly has given every indication that it wants ground, it was its first attempt at the 1600m journey today and it may not have run out the distance. Post race vet exam did not reveal any abnormality.

Felt although the hore had some wet track form in the past it didn't handle today's conditions and noted it was having its second start from a spell and was up in distance. Trainer advised that endoscopic examination following the race revealed the horse to be suffering from an epiglottic entrapment and would now undergo corrective surgery.

S. Comments:Weakened from the 300m. Inquiry re performance. Rider indicated that the horse travelled well until leaving the 400m, then raced greenly and not responding over the final 300m.

She added on return to scale the stablehand handling the horse indicated the filly appeared to have its tongue over the bit and this may have caused the poor performance. Trainer M. Mair indicated that the distance of today's event may not have been suitable for the filly at this stage of its preparation, adding he may trial the horse before its next race start. Vetted with no abnormalities reported.

Around the home turn and into the straight the saddle shifted back further and down the off-side of the horse, causing the rider to lose balance and eventually falling off her mount at the 200 metre mark. Jockey Ms B Derbyshire was attended to by Ambulance officers, who advised stewards that in their opinion she should not continue to ride. S. Comments:Blundered and lost ground shortly after the start.Stewards sought an explanation from rider R. Johnston-Bell with regards to the below market

performance of AUGUST BISHOP. He stated that after losing ground at the start his mount raced keenly throughout & was forced to race wide throughout.

He added that his mount ran on fairly & was not totally disappointing bearing in mind the circumstances shortly after the start. Trainer K. Kemp reported

subsequent to the event that AUGUST BISHOP had pulled up well after the race & that nothing abnormal had been detected that would explain the

performance.

S. Comments:Steadied from heels leaving the 900m. Blundered at the 600m. Rider reported that the race was not run to suit in that during the middle stages the pace steadied and he was obliged to steady from heels. He indicated that the horse blundered on a number of occasions rounding the home turn and then did not respond to his riding in the home straight. Trainer indicated that in the lead up to today's event the horse had accepted for a number of venues which had been abandoned and this, in his opinion, was not a suitable lead up to today's event and may have had a bearing on the performance.
