Rider reported that the race was not run to suit in that during the middle stages the pace steadied and he was obliged to steady from heels. He indicated that the horse blundered on a number of occasions rounding the home turn and then did not respond to his riding in the home straight. Trainer indicated that in the lead up to today's event the horse had accepted for a number of venues which had been abandoned and this, in his opinion, was not a suitable lead up to today's event and may have had a bearing on the performance.

He felt, the horse may have come to the end of its preparation, and also having stepped back in distance today, this may have affected the horse's performance. Trainer S. He felt that following this the horse did not respond to his riding and despite being marginally held up leaving the 400m, did not finish the race off well.
