He indicated that the horse blundered on a number of occasions rounding the home turn and then did not respond to his riding in the home straight. Trainer indicated that in the lead up to today's event the horse had accepted for a number of venues which had been abandoned and this, in his opinion, was not a suitable lead up to today's event and may have had a bearing on the performance.

S. Comments:When questioned regarding the disappointing performance, apprentice L. Attard stated that the intention was to ride the horse in a mid to forward position, however after beginning only fairly, was obliged to race further back in the field than anticipated and when the pace slackened in the middle stages the horse commenced to overrace for the majority of the event, which was a telling factor on the horse's finishing performance. A post-race veterinary examination revealed no significant findings and a swab sample was taken.

S. Comments:When questioned regarding the disappointing performance, H. Bowman stated the gelding travelled well in the run, and after he shifted to the outside of Falklands, his mount did not respond as he expected, and in his view, its action did not feel right. A post race veterinary examination of Angelican did not reveal any abnormalities. Trainer representative, Mr J. Cummings, stated that Angelican had a particularly hard run at its last start at Canterbury on 11 January, and in his view, may still be feeling the effects of that run.
