Mr B Robinson stated that in his opinion the mare failed to handle the soft track conditions of the event and felt whilst the mare was disappointing, the surface was the principal factor which contributed to its performance. Trainer Mr B

Robinson stated that he would not look to place the mare on rain affected surfaces in the future.

S. Comments: Weakened in the home straight. Jockey A. Best reported that the horse was awkward in its action over the concluding stages. A post-race veterinary examination revealed no abnormalities. Trainer reported that the horse has subsequently undergone an endoscopic examination and was found to be suffering from an inflamed pallet. The horse has commenced treatment and will be trialed prior to next start. Consideration will also be given to the removal of the blinkers and tongue tie from the horses gear.

When asked why he did not elect to stride forward and cross runners to his inside, he said in his opinion the tempo of the race was solid and he was concerned that he would have had to make too much use of the horse to gain a position closer to the rail and therefore allowed it to travel comfortably and improve into the race of its own accord. He thought the track towards the rail was inferior and he was comfortable to remain racing 3 wide.

S. Comments: Began awkwardly and shifted in. Questioned re tactics in setting fast tempo - instructed to lead and then improve from 600m to obtain winning advantage on field. Complied with instructed but conceded that the tactics adopted had a detrimental effect on horses' performanc. Stewards critical of rider's actions in that once obtaining the lead near the 1100m she should have continued to restraing it in the middle stages to give it every oppurtunity to finish the race of instead of allowing it to stride forward leaving the 700m.

Apprentice Ainsworth stated that the gelding overraced in the early stages and after obtaining cover, settled for the majority of the event until placed under pressure near the 600m and proved most disappointing. She noted that LANDALE's previous performances at Gatton may suggest that the gelding is not suited by the tight turning track.
