S. Comments: Jockey asked to explain disappointing performance. Stated that connections were not completely confident going into the race as MINTARO had failed to race well first-up in the past and the unsuitable distance of today's event. He said that he placed his mount under pressure and from the 400 metres it had failed to respond. He was of the opinion that the horse would take benefit from the run. Post-race veterinary inspection did not reveal any abnormalities.

In Running: 4/1/ S. Comments: When questioned in relation to the gelding's seemingly improved performance in today's event as opposed to it's previous start when it raced ungenerously throughout, trainer attributed the improvement to the addition of a cross over noseband and lugging bit, which assisted the gelding to race more tractably today. Stewards noted the explanation.
