Comments:Raced keenly from the 900m to 600m. When questioned re performance, appr Ljung stated that after being caught wide she had no option but to ride her mount forward to a position outside the leader. She added that despite her efforts the mare raced keenly and she felt that having to pressure her mount so early in the race and also the racing manners of the horse contributed to the disappointing performance. Postrace vet exam failed to reveal any abnormalities.
