S. Comments:Stewards questioned apprentice in regard to his ride. Apprentice explained he had been instructed to ride gelding in a forward position. He said after beginning well he rode his mount along in an attempt to comply with his instructions. Added that in the middle stages he was able to work forward of the other runner however was unable to cross when he received calls appealing for racing room. Apprentice concurred with stewards that he should have made a greater effort to cross the runner to his inside which would have enabled him to dictate terms in front and not cover excessive ground.

S. Comments:Passing the 1200 metres improved onto heels and had to be steadied. When questioned regarding his riding approaching the 600 metres, as to whether there was an opportunity to improve earlier than he did, Jockey said that, bearing in mind that the gelding was first-up since January, rather than attempt to sustain a long wide run, he elected to remain racing on the back of another runner, however when that runner did not quicken as expected, he was obliged to shift out rounding the home turn, where the gelding ran home strongly. His explanation was noted.
