Coome was of the opinion that it failed to run out a strong 1800 metres, however had travelled well until near the 400 metres then failed to run on and may have come to the end of its preparation. A post-race veterinary examination revealed that the gelding was showing a poor post-race recovery rate. Trainer G. Farrell informed stewards that the horse will now be spelled and he will confine its races to distances up to 1600 metres.

Added his mount failed to respond when placed under pressure passing the 500m and weakened noticeably in its run to the line. Stated that throughout the event his mount was making an abnormal respiratory noise. A post race veterinary examination of the gelding did not reveal any abnormality. S. Comments:Stewards questioned Jockey regarding his riding of the gelding in the home straight.Jockey said that on straightening he was held up behind another runner and attempted a run to its inside to avoid cousin interference to runners on his outside had he shifted ground. He added that after obtaining a run to the inside he was again held up on heels and went to the finish without being fully tested. Jockey agreed with Stewards that he had erred by not attempting a run to the outside when there was sufficient room to do so and it would have enabled him an unimpeded run to the finish.
