Jockey explained that his mount travelled comfortably throughout in a prominent position, however shortly after straightening for home, when placed under pressure, failed to respond and was disappointing. A post-race veterinary examination did not reveal any abnormalities. Trainer advised stewards that it was his intention to have the colt gelded and spelled.

Added his mount failed to respond when placed under pressure passing the 500m and weakened noticeably in its run to the line. Stated that throughout the event his mount was making an abnormal respiratory noise. A post race veterinary examination of the gelding did not reveal any abnormality.
