S. Comments:Stewards questioned apprentice regarding his riding of the gelding in the home straight. Said that on straightening he was held up behind another runner and attempted a run to its inside as he was of the belief that had he shifted out he would have caused interference. Added that after obtaining a run to the inside he was again held up on heels and went to the finish without being fully tested. Apprentice agreed with Stewards that he had erred by not attempting a run to the outside when there was sufficient room to do so and it would have enabled him an unimpeded run to the finish.
