We Found It 54 2, Cyclone Kan, 58, 3, 0.1 LEN, 1.5 LEN, 1-03.99 34.54

S. Comments:Raced 3 wide no cover. Stewards considered an objection lodged by Jockey against the winner, alleging interference over the final stages. On the evidence it was established that inside the final 30 metres the winner shifted out under riding and bumped the gelding carrying it wider. Bearing in mind the manner in which both horses ran to the finish, and the margin of a nose between them at the finish, stewards were comfortably satisfied that had the interference not occurred gelding would have finished ahead of the declared winner. Accordingly the protest was upheld and the placings amended.

S. Comments:Stewards considered an objection lodged by second placegetter against the gelding, alleging interference over the final stages. On the evidence it was established that inside the final 30 metres gelding shifted out under riding and bumped the second placegetter carrying it wider. Bearing in mind the manner in which both horses ran to the finish, and the margin of a nose between them at the finish, stewards were comfortably satisfied that had the interference not occurred second placegetter would have finished ahead of the gelding. Accordingly the protest was upheld and the placings amended.

S. Comments:When questioned regarding racing back in the field, Apprentice said that he had been instructed to ride the mare where he was comfortable. He said that after being bumped at the start and riding his mount along in the early stages when runners to his inside showed superior speed, he elected to restrain and take up a rearward position at the tail of the field. He added that his mount travelled comfortably thereafter and after being momentarily held up in the early part of the home straight he then worked to the line strongly.
