S. Comments:When questioned apprentice explained he had been instructed to lead. He said after obtaining the lead in the early stages he electeded to restrain his mount in an attempt to slow the tempo. He said at this point near 1000 metres other runners improved to his outside and in doing so crowded his running resulting in him losing ground. He added soon after he was held up on heels. He said he was again held up in straight and did not obtain clear running until near the 100 metre. Stewards advised apprentice that he should have made a greater effort to hold the lead when the tempo was only moderate.

S. Comments:When questioned Jockey said that after beginning fairly and when runners to his inside showed superior speed, he elected to ride his mount in a rearward position with cover, where it travelled comfortably throughout, however after being inconvenienced near the 700 metres lost further ground. He said that approaching the home turn he was in a winnable position, however the gelding failed to respond to his riding and went to the finish only fairly. A post-race veterinary examination did not reveal any abnormalities.

S. Comments:G. Colless was questioned regarding his tactics and the performance of the horse. He stated that he had concerns with the way in which the gelding was travelling near the 1300m and from the 600m he elected to follow TORBAY through rather than shift around LEGSMAN and race wide. He added that WALHAAN did not stretch out in the straight and on pulling up he felt there was something amiss with the gelding. A post-race veterinary examination revealed the gelding to be short-striding in both forelegs. A swab sample was taken.
