S. Comments: Jockey D. Griffin reported he was obliged to steady in the early stages to obtain a position closer to the fence which resulted in him being positioned further back in the field than he would have liked. He added that the horse then commenced to overrace after passing the 1000m and was inclined to lay out until entering the home straight. He added that, in his opinion, the horse was not comfortable in the rain affected conditions.

S. Comments:Obliged to steady away from heels near the 1800m. Jockey then elected to push forward to take up a position in the lead near the 1500m. When questioned regarding the reason for him shifting off the fence when leading from the 600m, Jockey explained it was his intention to shift wider approaching and rounding the home turn as it was his view that when the rail was in the true position racing towards the middle of the track is more advantageous. Stewards noted the explanation.

S. Comments:On returning to scale rider reported that it was his intention to lead tonight's event, however due to the early tempo he was unable to assume this position but nevertheless settled on the pace. Rider added that when the pace of the race quickened near the 700m the gelding came off the bit and failed to quicken and proved disappointing over the concluding stages. Trainer agreed that the horse's performance tonight was disappointing and added that he will now review the gelding's current preparation. Vetted, no abnormalities.

S. Comments: When questioned regarding his riding, Jockey said that after being buffeted between runners at the start, he rode his mount along. However, when he was of the view that he would be caught wide, he elected to restrain his mount and race at the tail of the field, where it travelled comfortably. He stated that he then elected to improve around the field from the 500 metres, however, in his opinion the filly responded only fairly in the home straight.
