S. Comments:Trainer was questioned into the improved performance of the horse as compared to its previous start. Trainer explained that due to recent weather and particularly leading up to the mare's previous start he had not been unable to work the horse as he had wished, he further advised it had been a consideration that the mare be sent for spell after that run however it had pleased him in the following days. Whilst stewards noted the explanation, Trainer was reminded of his obligation to advise Stewards of any occurrence prior to acceptance time that may have a bearing on a horse's performance

S. Comments:When questioned Apprentice said that from the wide draw, when runners to his inside showed superior speed, he elected to ride his mount back in the field with cover, where it travelled comfortably. He said that near the 600 metres he placed the gelding under pressure, however it did not respond to his riding. He added that in his opinion the gelding may not have backed up from its most recent start. A post-race veterinary examination did not reveal any abnormalities.
