| S. Comments:Stewards interviewed jockey as to the improved performance compared to last start at this track when finishing last. Jockey advised stewards that at it's previous start the gelding had been fractious in barriers, blundered badly on jumping lost many lengths had raced wide throughout. Jockey added that in today's event, although fractious in the barriers the gelding jumped well and raced wide and performed well. Stewards accepted the explanation. Jockey returned in excess of half a kilogram of the weight he weighed at. Jockey was reprimanded under AR145. | | | |

S. Comments:When no other rider was available stewards permitted jockey to ride the mare 4.5kg over its declared weight. When questioned regarding the poor performance jockey explained that the mare has a tendency to mix its form. He said that after beginning only fairly the mare raced in a rearward position where it resented the kickback and tailed off. He added that in his opinion the mare was stepping up sharply in grade and may not have handled the extra weight. Trainer concurred with the views of jockey. A post race veterinary examination did not reveal any obvious abnormalities.

| S. Comments:When questioned regarding the gelding racing in the lead today, rider stated that she did not have specific instructions other than to be positive in the early stages and after beginning well and due to a lack of early speed in the race she found herself in front. Rider was fined \$200 under AR137(b) for failing to ride the gelding right out to the line at least hands and heels. In assessing penalty Stewards did not believe that her actions had a bearing on the final placings. | | | |
