S. Comments:Slow into stride. When questioned regarding the disappointing performance, rider K. Wharton explained that after beginning slowly the gelding never travelled at any stage of the event today and in his opinion was very disappointing. Trainer D. Hansen agreed with the rider's assessment and advised that he may consider starting the horse over a longer distance. Mr Hansen undertook to notify stewards of anything that comes to light in coming days which may have had an effect on the performance. A post-race veterinary examination revealed no abnormalities and a swab sample was taken.

Comments:When questioned by Stewards in relation to the performance of the gelding, which raced below market expectations, Jockey stated that after jumping on terms the gelding was unable to muster early pace and got further back in the field than anticipated. Jockey also reported that the gelding had hung out in running due to resenting the sand kickback and had raced wide at the home turn.

She stated that the gelding never traveled at any stage of the race and that when another crossed her near the 700m the gelding failed to respond to her riding from that point.
