S. Comments:A post-race veterinary examination of the gelding, which was slow to begin then failed to respond to his Jockey's urgings, did not reveal any abnormalities. Trainer said that he would report to stewards if anything was amiss with the gelding in the ensuing days.

S. Comments:Reluctant to load into barriers. When questioned regarding the poor performance Jockey explained that he had been instructed to ride the gelding vigorously early in an attempt to obtain a forward position. After beginning well he rode his mount along with the whip in an endeavour to comply with his instructions and obtained a leading position. However after passing 800m his mount was under pressure, weakened and was disappointing. Trainer confirmed instructions however expressed disappointment with the performance and said that in light of the poor performance the gelding would now be spelled.
