S. Comments:On return to scale Jockey lodged an objection against the winner alleging interference near the 800 metres. After taking into account their submissions and after viewing the films Stewards established that after mare was slightly slow to begin Jockey rode his mount along and after being crossed near the 800 metres it commenced to overrace and hung out badly from that point. When Stewards were comfortably satisfied that winner was clear to cross runners to its inside and that mare hung badly as result of its own racing manners, Stewards dismissed the objection.
