room rounding the home turn and when a run became available near the 200m, her mount shifted out when attempting a run resulting in her having to

straighten her mount before placing it under pressure. She added that while the gelding made up ground in the straight, it did race flat and failed to show its

customary sprint at the finish.

S. Comments:Raced wide throughout. Stewards questioned trainer P. Kings in relation to the seemingly improved performance of I'M NO RUBY. Mr Kings advised that at its most recent start when beaten a considerable distance, the gelding failed to perform when racing on a heavy track. Mr Kings added that its form prior to this was satisfactory and as such, when racing on a firm surface today, he was not surprised to see the horse run an improved race. Stewards noted the explanation.

S. Comments:Questioned re tactics: rider stated he was instructed to obtain position with cover. Gelding over-raced early stages so allowed to stride forward

to sit outside leader near 1400m. Attempted to restrain to sit off leader in middle stages but that horse continued to race to his inside resulting in his horse

over-racing in the middle stages which prevented him from restraining it any further. Stewards advised him that he should have made a greater effort to

restrain the gelding in the middles stages so as to sit off the leader and give his mount every opportunity of finishing off the race.
