Shortly after the start blundered, shifted in abruptly and hampered two other runners. When questioned regarding the apparent improved performance of the gelding, trainer said that in his opinion BON TEMPS had derived benefit from a drop back in distance and the addition of a tongue-tie to the gelding's approved gear.

S. Comments:Raced 3 wide throughout. Questioned about her riding tactics App. Vuille stated that she was instructed to ride the mare where she was comfortable, however due to the perceived pace of the race she had anticipated being in a handy position one away from the running rail. App. Vuille acknowledged that the race did not pan out as she had expected and she was obliged to race midfield in a 3 wide position, and she had erred by not allowing her mount to stride forward in the back straight and take a leading position. Stewards agreed with her assessment of the ride and noted her explanation.
