When questioned regarding his riding approaching the 600 metres, as to whether there was an opportunity to improve earlier than he did, Jockey said that, bearing in mind that the gelding was first-up since January, rather than attempt to sustain a long wide run, he elected to remain racing on the back of another runner, however when that runner did not quicken as expected, he was obliged to shift out rounding the home turn, where the gelding ran home strongly. His explanation was noted.

S. Comments:Questioned re: performance - Rider stated gelding settled in rearward position but became concerned in early stages horse wasn't travelling comfortably. From the 900m horse was inclined to lay in and despite his efforts would not respond. He added that despite his efforts the gelding failed to respond to his riding in the straight and was most disappointing. Trainer indicated horse had previously performed poorly at Doomben and may be better suited on bigger tracks. Post race vet - no abnormalities.
