Butler explained that the gelding raced flat today and may not have appreciated the firm surface. Trainer R. Vale stated the gelding had only previously backed up within a week once in its racing career and had also proved disappointing on that occasion. He advised stewards that it would be his intention to space the gelding's runs in future. Stewards noted the comments. A post-race veterinary examination failed to reveal any significant abnormalities. | | | |

Said that on straightening he was held up behind another runner and attempted a run to its inside as he was of the belief that had he shifted out he would have caused interference. Added that after obtaining a run to the inside he was again held up on heels and went to the finish without being fully tested. Apprentice agreed with Stewards that he had erred by not attempting a run to the outside when there was sufficient room to do so and it would have enabled him an unimpeded run to the finish. | | |

| S. Comments:Delayed the start when it lunged forward, examined by the veterinary surgeon and cleared to take its place in the field. Near the 900 metres tightened another runner racing to its inside. When questioned regarding his riding in the home straight, Jockey B. El-Issa stated that the gelding failed to travel comfortably throughout the event. He said that he placed the horse under pressure in the home straight, again near the 400 metres and again near the 200 metres, but the gelding failed to respond. Jockey El-Issa was advised that he must endeavour to ride his mounts right out to the finish. | | | | | |
