S. Comments:The start was delayed initially when the gelding fell over prior to leaving the enclosure and required farrier attention. The gelding was examined by the Club's veterinary surgeon and cleared to take its place in the field. Near the 150 metres misstrode and blundered. When questioned, Jockey B. Stewart was of the opinion that the gelding may have attempted to change stride at this point. An immediate post-race veterinary examination did not reveal any abnormalities. Stewards will follow up with the trainer in relation to the horse's condition.

When questioned in relation to the improved performance, trainer advised that at the gelding's first race start on 26 September 2015, after being slow to begin the gelding was forced to race very wide throughout the event, which he felt was a major contributing factor to the horse's performance on that occasion. He went on to advise that the gelding had worked well in preparation for today's event and as such expected a forward showing today.

Comments:When questioned regarding the performance, Jockey said that after being crowded at the start he lost the use of his offside iron for a short distance, his mount never travelled comfortably at any stage thereafter and failed to respond to his vigorous urgings. Trainer expressed disappointment with the performance and undertook to report back in the days subsequent. A post-race veterinary examination did not reveal any abnormalities. Stated that no specific instructions had been issued and he was able to find a favourable position from the awkward barrier. He said that when a run became available to him he was not able to take advantage of it as the horse was not advancing to do so and as a result from the 200m was held up and his mount went to the line untested.
