S. Comments: When questioned regarding racing back in the field, Jockey said that from the wide draw, and after being tardy at the start, she elected to take up a position at the tail of the field with cover, closer to the running rail, where the filly travelled comfortably throughout. She said that after being held up momentarily prior to straightening the filly finished the race off well.

beginning well he was unable to improve to cross the runner to his inside and elected to race to the outside of the leader. He added that, despite travelling well in the middle stages, the gelding did not handle the ground, was under pressure from the 600m and was disappointing in its failure to finish off the race. A

post-race veterinary examination did not reveal any abnormality.

S. Comments: Stewards questioned jockey A. Spinks regarding the tactics he adopted on his mount in sitting outside the lead in today's event which was in contrast to the horse's established racing pattern. He indicated that the horse was inclined to overrace in the early stages and as there was a distinct lack of pace in the race he was unable to fulfil his instructions which was to ride the horse in the second half of the field. Jockey Spinks therefore elected to allow his mount to stride forward to secure a position closer to the fence.

S. Comments:Stewards questioned Apprentice in regard to her ride. Apprentice said that she had been instructed to ride the gelding at the tail of the field. Trainer confirmed the instructions issued, however was surprised that the gelding was positioned as far back as it was. When asked why she did not attempt to improve her position, she said that she refrained from doing this as she was of the belief that the horse would over-race. Also of concern was the amount vigour shown in the home straight. Bearing in mind Apprentice's relative inexperience, Stewards referred her ride to the Riders Advisory Panel.
