S. Comments:Made contact with the hindquarters of another runner at the start. Stewards inquired into performance. Rider said that he was instructed to take up position at rear of field close to running rail. After beginning fairly he was positioned worse than midfield when other runners improved to his inside, and he anticipated taking up a position midfield, to the outside of FIRST PLAN. However he was obliged to race 3 wide and was unable to obtain a position further back. A post-race veterinary examination revealed that the mare was showing a poor post-race recovery.

He indicated that the horse was inclined to overrace in the early stages and as there was a distinct lack of pace in the race he was unable to fulfil his instructions which was to ride the horse in the second half of the field. Jockey Spinks therefore elected to allow his mount to stride forward to secure a position closer to the fence.

App. Murphy added that the gelding was doing its best work over the concluding stages and may appreciate a step up in distance. Trainer M Lakey was of the view that the slow tempo in the early and middle stages did not suit the gelding's racing style and accordingly he was not overly disappointed with the performance.
